Resource Person brief biodata for 5-Day EDP on "Building AI-Driven Startups: From Idea to Market" from 19th- 23rd February 2026.

1. **Mr. Manash Chakraborty**

Dated: 02-Jan-2025

Manash Chakraborty
Software Engineer

Education

- 2011-2015
  B.Tech, Computer Science
  NIT Agartala - **CGPA : 8.24**

- 2011
  Class XII, AISSCE'2011
  JNV R.C. Ghat , **73.33 %**

- 2009
  Class X, AISSE'2009
  JNV R.C. Ghat , **92.33 %**

About Me

Senior Product Manager at **Intellect Design Arena Ltd, Chennai**, blending innovation with technology. I am a tech geek , I host career-centric podcasts, exploring diverse professional avenues. Passionate about software, product dev.

Expertise Skill

- Java
- Spring
- Hibernate
- Apache Camel
- Angular
- TypeScript
- HTML
- CSS
- JavaScript

Work Experience

- **Product Manager, Intellect Designer Arena Ltd, 2015- Present**
  - Having **9.6** years of Experience in Product Development and Implementation.
  - Responsibilities include architectural design & dev , HLD design of modules for Message Flow , Message processing and message transport Management.
  - Managing a team of 15 people and coordination with K4 teams for implementation and requirement gathering!
  - Handy in using various development tools such as eclipse, IntelliJ, Visual Code, PL/SQL Developer
  - Have worked on project like GST Implementation , Central Banks of many countries, in-house ESB products.

2. Mr. Gautam Pal

Mr. Gautam Pal is presently working as Associate Professor in the Department of Computer Science & Engineering at Tripura Institute of Technology (TIT), Narsingarh, Agartala, Tripura (West), North-East region of this country, with more than 20 years teaching experience in Computer Science & Engineering, including 5 years of experience in Research. Mr. Pal completed B.E. from Tripura Engineering College (TEC), presently NIT Agartala, and M. Tech. in CSE from NIT Agartala and now he is pursuing PhD.

He published a good number of research papers in national and international journals and guided more than 25 B.Tech. and M.Tech. Projects. His area of interests is Video Image Processing, Soft Computing, etc. He has conducted many FDPs and Workshops funded by AICTE, TEQIP, ATAL, ISI Kolkata etc for the benefits of faculty and students. He is also Joint Institute NBA coordinator, Faculty Co-Coordinator of AICTE-IDEA LAB and Joint Coordinator of "Unnat Bharat Abhiyan" in his Institute. He is Life Member of The Institution of Engineers (India), Computer Society of India (CSI), Cryptology Research Society of India (CRSI) and actively attached with the professional activities.

3. Dr. Arindam Dey

Dr. Arindam Dey received his B. Tech. degree in Computer Science and Technology from Netaji Subhash Engineering College, Garia, India. He earned his M. Tech. and Doctorate from NIT Durgapur, India in 2012, and 2018 respectively. Dr. Dey currently working as an Associate Professor in the School of Computer Science, VIT-AP University, India. He has more than 14 years of teaching and research experience. His research area is mainly focused on fuzzy optimization and genetic algorithms. Till date, he has published more than 80 research articles in national and international peer-reviewed journals.

4. Dr. Said Broumi

Dr. Said Broumi completed his MSc and PhD in Computer Science from University of Hassan II of Casablanca, Morocco. Currently, he is serving as an Associate Professor at Regional Center for the Professions of Education and Training, Casablanca-Settat, Morocco. He is permanent member at Laboratory of Information Processing, Faculty of Science Ben M'Sik, University Hassan II, Casablanca, Morocco. His research interests are in the field of graph theory, extended fuzzy graphs, decision analysis and neutrosophic theory. He has diversity in his research work.He has published several work on neutrosophic graph theory, soft set theory, multi-attribute decision analysis and some alternative theories of Neutrosophic Mathematics. He has published more than 200 research articles in international peer-reviewed ISI Indexed/Impact factor journals. Some of his papers have been published in high impact journals including, Complex & Intelligent Systems, Computational and Applied Mathematics, Symmetry, and Journal of Neutrosophic Set and Systems. His work has largely been cited and total citation is more than 5992 (Scholar Google, H-index 41). He has presented his research work at some national as well as international conferences. He has been acting as a reviewer for a number of International journals. He is also an Editor in chief of the journals Neutrosophic Set and Systems and International Journal of Neutrosophic Science.

5. Dr. Nazia Gera

Prof. Nazia Gera is currently an Assistant Professor in the Marketing Area at the FORE School of Management (FSM). Before joining FSM, she worked as a Research Associate at Indian Institute of Management Bangalore. She is a keen researcher and her research has been published in ABDC A* and A category Journals and regularly presents her work at prominent national and international conferences. Her recent presentations include the 2024 Australia and New Zealand Academy of Management (ANZAM) Conference in Wellington, the European Marketing Academy Conference (EMAC) 2024 in Bucharest, and Annual International Research Conference and Doctoral Workshop hosted by IIM Lucknow. She was one of the 20 marketing scholars globally to receive the ACR Sheth Foundation Scholarship to attend and present at ACR 2024 in Paris. Her work was also recognized with the "Best Paper Award" at the Management Education and Research Colloquium organized by IIM Kashipur in May 2023. Prof. Gera serves as the member of Editorial Review Board of Journal of Global Marketing (ABDC B) and reviewer for several prestigious journals, including Journal of Consumer Psychology (UTD, FT 50, ABDC A*) and Journal of the Academy of Marketing Science (FT50 and ABDC A*).
